Re: PERB Mailing List Update

Pursuant to Government Code section 14911, PERB is in the process of updating its list used for the mailing of its open meeting agendas. As you may know, PERB now posts its open meeting agendas on-line at <http://www.perb.ca.gov/meetings/meetings.aspx>. This site includes the agenda for PERB's current open meeting as well as agendas and minutes from previous open meetings.

You can also request to receive PERB's open meeting agendas electronically. To be added to PERB's electronic mailing list, please e-mail your request to: [agenda@perb.ca.gov](mailto:agenda@perb.ca.gov).

If you are unable to access PERB's open meeting agendas on-line and want to continue receiving them in hard copy form, please complete the information below and mail it back to PERB at 1031 18<sup>th</sup> Street, Suite 204, Sacramento, CA 95811. Your name will be automatically removed from PERB's hard copy agenda mailing list unless we receive the information below.

Thank you.
